ACTIVITIES

Homecoming was the time for MCHS students to show pride in their school. The Seniors dominated in all areas, taking first in both the indoor and outdoor games and first in the floats. The Juniors took second in the indoor games and in the float competition, and tied the Sophomores in the outdoor games. The Freshmen took fourth place in everything. A great turnout at the football game helped the team to a 14-7 victory over Grayslake.

Senior Class — 1987

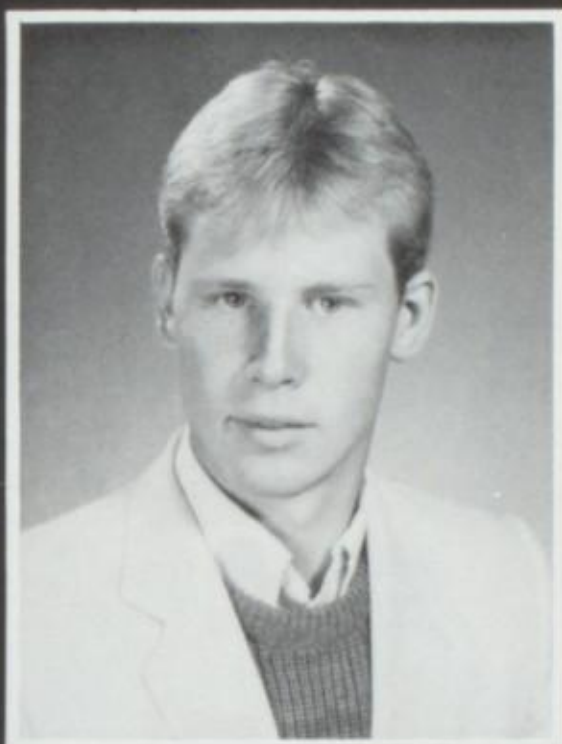

For the past four years, the Class of 1987 has striven for excellence, but more importantly, they worked on surviving. If it had not been for the class advisors, the previous four years would have been an extremely difficult obstacle to overcome.

Clockwise from top: Secretary Mary Shields, President Erik Svec, Treasurer Monique Lulinski, Vice-President Faith Thurow.

The year saw some changes for good and for bad
 And people seemed to change too
 But just keep memories of what we had
 And the people that we knew
 Just keep in mind that you can succeed
 In anything at all
 And whatever you decide to try
 Make sure you have a ball
